P R O T E C T S L I F E

High cut and impact resistance – unmatched dexterity and comfort. The CORE FXI are a unique hybrid design with both cut and impact protection to the fingers, knuckles, back of hand and palm. All this, in a super comfortable glove made from recycled HPTE material. The palm includes a breathable sandy nitrile finish and the glove has excellent tear and abrasion resistance.

## APPLICATIONS

For general work that have exposure to mid to high impact and cutting hazards.
